P.O. BOX 3635 • MISSOULA, MONTANA 59806

Feb 16, 2009
Missoula Mt 59801

The Missoula Chamber of Commerce
Missoula Mt 59801

We as community leaders believe that Missoula needs to look at all the creative opportunities to diversify our economy and provide much needed jobs and revenue to this community. Many of our large employers in this community are facing challenging times and we cannot assume they will continue to grow and provide high paying stable employment in the years to come. We need to support our current Missoula businesses by finding ways to generate new revenue into our community all year long.
